Experience the ship that revolutionized cruising, Oasis of the Seas®— its groundbreaking design introduced seven distinct neighborhoods built for ultimate enjoyment. Hop on a classic carousel on the Boardwalk®, then watch acrobats splash down in the AquaTheater, the first amphitheater at sea. Let imaginations soar in the Youth Zone—the largest kids' area at sea—or at the Pool & Sports Zone, where you'll find FlowRider® surf simulators and zip line views. Unwind with a stroll in Central Park®—a meandering garden lined with shops and fine restaurants—or melt away stress at Vitality Spa®. Jazz up your evening with Broadway hit *Hairspray*, or hit the Royal Promenade for memorable moments with *Dream-Works® Experience* characters. Join us onboard the ship that changed cruising – a world where innovation rules.
