**NOTE: We reserve the right to refuse service, particularly when a condition exists that requires medical treatment.**

# Our Philosophy

For more than 19 years, Precision Nails has redefined nail care through innovations in safety, quality and professionalism.

## Precision Nails protects your safety:

- we sanitize our hands and put on clean gloves before your service begins;
- we use a new disposable file for every service and protect you from cross-contamination;
- we autoclave sterilize our metal tools, exceeding state board requirements;
- we refuse to provide any service that cannot be performed safely.

## Precision Nails delivers quality:

- we employ licensed beauty professionals;
- we continually train our staff to meet our high standards and your specific needs;
- we depend on superior products and our advanced technical skills, not drills;
- we serve our clients in private rooms, equipped with leather recliners.

## Precision Nails promotes professionalism:

- we provide professional nail services, not personal relationships;
- we respect the privacy of our clients, and request that you respect ours;
- we value your time and work efficiently and diligently to remain on schedule;
- we support the beauty industry through education, trade shows, competitions and compliance with all applicable laws.

# Sunless Tanning

Give your skin the look of a natural, golden tan without the harmful effects of the sun. Our favorite sunless solution features DHA (dihydroxyacetone) made from sugar cane, an instant cosmetic bronzer to ensure even coverage and erythrulose to enhance and prolong your tan. Ideal for special events or an everyday glow, your results will last 5-7 days with proper preparation and aftercare.

**\$30 (15 minutes)**

**\$125 for a Series of Five**

## Before your appointment:

- exfoliate your skin thoroughly;
- shave or wax any unwanted hair;
- shower immediately before, if possible;
- do not apply lotion, perfume or deodorant;
- dress in dark, loose-fitting clothing.

## During your appointment:

- wear as much or little as you'd like (use our disposable undergarments if needed);
- step onto our disposable sandals to avoid overspray on the soles of your feet;
- relax as we personally apply your spray tan in our custom-designed private room;
- allow a few minutes for the fast-drying formula to set before getting redressed.

## After your appointment:

- avoid water or exercise for 6-8 hours;
- wait until the next day to rinse away the cosmetic bronzer and reveal your tan;
- apply moisturizer and sunscreen every day for protection from the sun.

# Gel Enhancement Services

Our gel enhancements reinforce and protect your natural nails as they grow to your ideal length. Precise application of our preferred odorless technology produces strong, yet flexible, enhancements, hides imperfections and finishes with a lasting, beautiful shine.

For Initial Application, we carefully prepare your natural nails and apply our versatile sheer gel to ensure compatibility. Because your nails should suit your lifestyle, we do not use tips or do extensions. With proper care and a recommended schedule of our Maintenance services, your nails will grow to a manageable length without damage.

Our gel enhancements look so incredibly real they deserve to be worn clear. If you prefer to wear color, we can customize your nails with Perfect Polish, which lasts much longer than polish applied to natural nails alone. We also offer durable Gel Polish (solvent-resistant color) or classic French-style (pink and white gel) when appropriate.

For an even more pampering experience, enjoy warm therapeutic paraffin and a soothing extended massage to the elbows.

**NOTE: Precision Nails does not maintain or repair any enhancement product(s) applied by other salons or manicurists.**

## Initial Application

Reinforce and protect your natural nails as they grow to your ideal length. Includes nail shaping with a new disposable file, cuticle conditioning, gentle exfoliation with a moisturizing scrub, shiny protective sealant and \$50 towards your first Maintenance.

# Salon Policies

## Appointment Reservations

For greater convenience, we suggest that clients reserve appointments in advance online ([www.precisionnails.com](http://www.precisionnails.com)), by phone or at the salon. Any appointment reserved for a new client must be prepaid, or secured with a Precision Nails Gift Card. If you need to cancel or change an existing reservation, we require 24-hours notice to avoid being charged the full service price. As a courtesy to other clients and our manicurists, cell phones, pets, children and/or other guests are not permitted during your service.

## Preferred Clients

By invitation only, Precision Nails offers standing appointments in one-, two-, three- or four-week intervals. Clients with standing appointments receive scheduling priority and other valuable benefits.

## Gift Cards

Our Gift Card works like a gift certificate that never expires. Activation requires \$25 minimum purchase. Earn more value with a purchase of \$250 (\$275 value), \$500 (\$575 value) or \$1000 (\$1200 value). Gift Cards may be redeemed for services and/or products only, may be transferred to another person and have no cash value.

## Payment

Precision Nails accepts our prepaid Gift Cards, Visa, MasterCard, American Express, local checks and/or cash.
